Faculty Senate

Faculty Senate Minutes of the October 15, 2001 Meeting

Present: M. Allen, M. Bednar, P. Brazina, D. Cichowicz, S. DeTurk, D. George, E. Giardino, P. Heinzer, S. Leibiger, L. Miller, M. Moreau, D. Robison, M. Smith, S. Smith, J. Welsh

Excused: S. Borkowski, R. Mshomba, J. Pastis, T. Straub, J. Volpe, A. Walsh

Guests: Lynn Collins, Joan Frizzell

Meeting called to order at 2:05 pm.

The minutes of the May 10, 2001 morning meeting were approved as amended (10-0-2). The minutes of the May 10, 2001 afternoon meeting were also approved as amended (11-0-1). The Senate did not keep formal minutes of the September 11 meeting since no official business was conducted (with the exception of appointments to standing committees). There was discussion of the notes from that meeting.

The Financial Affairs Planning Committee did not have any new business to report.

The Academic and Faculty Affairs Committee provided an update on revisions of promotion and tenure guidelines. The President and Provost have asked that the guidelines require that the department chair provide an evaluation of the candidate to the Promotion and Tenure Committee. The wording of the document will be changed accordingly. At the suggestion of the Provost, the guidelines will also state that the candidate cannot be his/her own alternate presenter. The Senate President indicated that these two points were the only remaining concerns of the President and Provost.

The Student Affairs Committee provided an update on their investigation into the question of whether the University has plans to install sprinkler systems in all dormitories. The Director of Physical Facilities indicates that the university is in compliance with current regulations and is awaiting the results of pending legislation in Harrisburg that would mandate the installation of sprinklers in student residences. Senators expressed concern about the safety of students and stated that even if we are in compliance with the law, we should continue to explore this issue for safety reasons. Additional comments arose regarding the possible need for installation of sprinkler systems in classroom buildings and this led to a lively discussion of the general conditions of the classroom buildings, particularly in regard to the heating and air-conditioning systems.

The Senate President provided an update on the status of the University Handbook. Br. John McGoldrick is working on this issue and Peg Heinzer has worked with him on implementing the recommendations of the Senate task force that studied the Handbook last spring. The revised Senate Constitution and updated by-laws will also be included in the new Handbook.

A report was given by the ad hoc committee investigating the wording in our advertising for faculty and staff positions. Maryanne Bednar and Sabrina DeTurk shared responses to their request for information from chairs and directors about the possible impact of this wording on recent searches. Examples of alternate wording from other Catholic institutions were presented and there was discussion of this issue. Information was also presented from the recent Senate executive committee meeting in which the issue was addressed with the Provost. The Provost has requested that the President meet with the Senate executive committee and with Maryanne to hear faculty concerns on this issue.

Faculty Senate

It was announced that Susan Borkowski will step down from her position on University Council. Joe Volpe was elected to replace Susan as a representative to University Council. Joe will relinquish his position as chair of the Academic and Faculty Affairs committee of the Senate and David George volunteered to replace him as chair of that committee.

The Senate President reported that the faculty members of the President's strategic planning committee will be Eileen Giardino and Gerry Ballough, with Jim Smither as an additional faculty member appointed by the President to chair the committee.

The Senate President asked if there were any requests for dates or topics for the open forum and no-tech chatroom; as none were given, she will pick dates and topics.

Joan Frizzell brought to the Senate a request for the formation of standing committee on information technology that would include representatives from the faculty and the information technology department. There was discussion of the need for such a committee and what its function would be. It was decided that before the issue is addressed further by the Senate there would be an investigation into the status of the Teaching, Learning and Technology Roundtable to see if that body could fulfill the needs identified by Joan and others.

There was a lively discussion about the newly established accelerated courses for the RN/BSN program and the process by which that program was approved. Several senators requested that this topic be aired at another Senate meeting in which there would be more time for discussion. In the meantime, it was agreed that Marc Moreau, as a representative to the Academic Affairs committee, would bring to that body the initial concerns raised by the Senate, particularly in regard to the vote by which the accelerated program was approved.

The Senate President, Peg Heinzer, announced her resignation from the University, effective at the end of the fall semester. There was discussion of the need to have an election for a Senate President to fulfill the remainder of Peg's term (spring semester 2002) and the process for conducting that election. It was decided that an election will be held at the November meeting of the Faculty Senate.

Several senators expressed concern over the scheduling of the day's Arts and Sciences faculty meeting during the time of the Senate meeting.

It was announced that the AAUP will hold its state meeting at La Salle on November 10.

A senator suggested that the executive committee look into security issues on campus in light of recent events (such as the student who was held up in the Chapel area).

A senator requested that the executive committee investigate La Salle's policy regarding tuition benefits for children of faculty and staff – particularly regarding the question of whether that benefit is available only to dependents of faculty and staff or to any children of faculty and staff.

The meeting was adjourned at 4:25 pm.

Respectfully submitted,

Sabrina DeTurk

Health Advisory Committee Minutes - November 28, 2001

Present: Dina Oleksiak (co-chair), Lane Neubauer (co-chair), Mike Imperato, Nick Angerosa, Bonnie Zetick, Chris Mickels, Scott Tjarian, Alexis Karras, Danielle Landwehr, Leah Wheeler, Mary Ellen Wydan,

Absent: Janice Beitz, Sr. Eileen McGowan

Guests: Robert Chapman, Dave McKenzie, Kathy Kozen, Nolan Kirby

- I. **New members and guests:** New HAC members - Mary Ellen Wydan (Intercollegiate Athletics and Recreation Department) and Leah Wheeler (Student Government/ student athlete), and invited guests: Robert Chapman, Dave McKenzie, Cathy Kozen, and Nolan Kirby were introduced.
- II. **Alcohol and Other Drug CORE Survey-** explanation of the survey and HAC's role was discussed by Robert Chapman. The CORE will be administered to 63 classes on Tues 2/26/02 during the fourth period classes; many volunteers will be needed to help administer the survey.
- III. **Health Fair-** Thursday March 14, 2002 CO- CHAIRS: Lane Neubauer and Alexis Karris; FOOD: Scott Tjarian ; ADVERTISING: Mike Imperato; DEMONSTRATIONS: Leah Wheeler ; DOOR PRIZES: Janice Beitz & Bonni Zetick; HOLISTIC BOOTHS: Dina Oleksiak ; VENDORS: Lane Neubauer
- IV. **Defibrillator-** Both the Safety and Security committee and the Health Advisory Committee have recommended that La Salle University purchase an automated external defibrillator to be housed and managed through the Security Department. Recommendations were forwarded to the Director of Business Affairs through the Safety and Security Committee. A letter summarizing the discussions in both committees was sent to Dr. Joseph Cicala.
- V. **ADA Issues-** A faculty member approached Nick Angerosa about the lack of recessed curbs by the middle entrance of Olney and along 20th St by the new traffic light. Nick Angerosa brought this to Dina Oleksiak's attention who called Michael Lopacki, Director of Physical Plant. Mike Lopacki is aware of the problem and is awaiting a permit from the Philadelphia Streets Dept. Dina Oleksiak was assured that this would be corrected as soon as the permit was received.
- VI. **Smoking Policy-** Dina Oleksiak reviewed the 1999-2000 Health Advisory recommendations regarding changes to the University smoking policy that were presented to and tabled by Senior Administration last year. A discussion ensued as to where the HAC goes from here. The committee and its guests were united in supporting 'non-smoking' policies. Several points were made.
 - A. Cathy Kozen (SGO) and Nolan Kirby (RSA) supported non-smoking policies for La Salle University's campus as long as spaces were provided for students who want to smoke. Specifically, they supported non-smoking policies regarding classroom and office buildings and dining spaces but felt that setting up non-smoking living spaces may prove to be more problematic.
 - B. Dave McKenzie discussed the lack of lounges in the Residence Halls that could be used as smoking areas and felt a separate building for non-smokers would be more in order.
 - C. April Herring, Associate Director Community Development, was unable to attend as a guest but sent her suggestions via e-mail to be added to the discussions. Points included the consideration of enforcement issues if non-smoking living spaces were created and the creation of protected outdoor spots if students want to smoke.
 - D. Bonni Zetick suggested that a date be given for the commencement of new policies so that individuals would be prepared for the changes.
 - E. It was suggested that a non-smoking policy be phased in. The committee felt it was realistic to have office and classroom buildings as well as the Food Areas go smoke free as of June 1st, 2002. This would give enough time to prepare staff, faculty and students for the change. Student residences would be targeted later.
 - F. Cathy Kozen, Nolan Kirby and Dave McKenzie were invited back to the next HAC meeting. Faculty Senate members have also been invited by Nick Angerosa to the next Health Advisory Committee as the issue of providing a non-smoking environment has been brought up in Faculty Senate meetings as well.

Meeting adjourned at 4:02 p.m. Next meeting will be held on Wednesday, January 30th, 2002 at 3 p.m. in the Counseling Center.

Respectfully submitted,
Dina M. Oleksiak, M.S.N., C.R.N.P./
Lane B. Neubauer Ph.D.

WILLIAM GLACKENS COMES TO THE ART MUSEUM

The painting collection in the La Salle Museum has grown over the years to include a number of important Philadelphia artists. There are now represented figures like Charles Willson Peale and, later in the 19th century, Thomas Eakins; early 20th century painters like Anna Lee Merritt or N.C. Wyeth; more recent figures like Sidney Goodman or “Bo” Bartlett. Their representation suggests that Philadelphia remains a vibrant center for the arts.

This component of the museum’s collection has been notably enriched during our anniversary year by a long-term loan of three paintings by William Glackens (1870-1938). The paintings come from the Samson Foundation of Fort Lauderdale, Florida, which has indicated the possibility of a permanent gift in the future.

William Glackens was graduated from Central High School (which later became our neighbor) and started work as a reporter-illustrator for several Philadelphia and New York newspapers. Encouraged by the artist Robert Henri, he turned to oil painting in the 1890s and took courses at the Pennsylvania Academy. He soon became a member of the urban-realist group called the “Ashcan” school and the Impressionist group called “The Eight.” Later he was the major collaborator of Albert Barnes in developing his world famous collection in Merion, PA—and he was also chairman for the American selections in the revolutionary Armory show in New York in 1913.

Two of his landscapes—from the 1930s in France and much influenced by Renoir—can now be seen in our 20th century gallery. Needless to say we are much indebted to the Samson Foundation for its generous interest in the collection here, especially during our 25th anniversary.
